The tenders not in the prescribed form will be summarily rejected.

3. The Technical Bid must be accompanied by an **Earnest Money Deposit of Rs.13,000/-** (Rupees Thirteen thousand only) payable by crossed Demand Draft on any one of the Nationalised Banks/Scheduled Banks having its office at Chennai. The Demand Draft should be drawn in favour of “Tamilnadu Tourism Development Corporation Limited”. No other form of Earnest Money Deposit will be accepted.

4. The Eligibility Criteria (Technical Bid) of the tenderer is at **Annexure I. Tenders received without Earnest Money Deposit along with Technical Bid will not be accepted** and the same will be summarily rejected.
5. The successful bidder shall be intimated on his selection for the award of contract.
6. The successful tenderer should furnish Bid Security equivalent to 10% of tender value either by cash or by Bank Guarantee from a Nationalised Bank/Scheduled Bank valid for one year within one week from the date of receipt of letter from TTDC intimating the selection of the bidder for award of contract. The successful tenderer shall also execute the agreement in the proforma prescribed by the TTDC along with the Bid security.
7. The tenderer (Authorised signatory of the Company) should sign at the bottom space of all the pages of tender document.
8. The rates tendered shall be inclusive of Excise Duty, Sales Tax and other taxes if any, that may be levied by the appropriate authorities. The breakup details such as Basic price, Excise Duty, Sales Tax, Insurance, Transportation and other charges if any, etc. should be indicated separately in the Annexure to the Price Bid Schedule. As per the Government guidelines issued as a sequel to the Transparency in Tenders Act, the Price bids will be evaluated reckoning all Duties, Insurance, Transportation, etc. but local sales tax will be excluded. The price bids are at **Annexures IV and V**.
9. The Technical Bids will be opened at the Registered Office of TAMILNADU TOURISM DEVELOPMENT CORPORATION Ltd., III Floor, Tamil Nadu Tourism Complex, No.2, Wallajah Road, Chennai-2 on **15.05. 2009 at 3.30 P.M.** The qualified tenderer's Price Bids will be opened on a date and time which will be intimated to the technically qualified tenderers. Both the Bids will be opened in the presence of tenderers or their authorised representative who choose to be present at that time.

10. Earnest Money Deposit of the successful bidder shall be forfeited in the event of withdrawal of his bid before the bid validity period or in the event of the failure of successful bidder to furnish the Bid Security or to execute the agreement within the specified period. In addition to the forfeiture of Earnest Money Deposit, steps will be taken to ban the business dealings with the tenderer in future.
11. The Earnest Money Deposit of unsuccessful tenderers will be refunded after a decision taken on the tender. For the successful tenderer Earnest Money Deposit will be refunded after delivery of all boats in good condition as per the specifications.
12. The amount deposited as Earnest Money Deposit as required in Sl. No.3 above will not carry any interest.
13. Successful tenderer will be intimated about the acceptance. Hence no enquiry in this regard need be made.
14. All columns in the tender schedule (Price Bid) shall be duly, properly and exhaustively filled in ink. The rate shall be entered in words also underneath the figures. No alteration in the description of the schedule shall be permitted. All corrections should be authenticated under the full signature of the tenderer. In case of variations in the rate quoted in words and in figures, the rate quoted in words only will be taken into consideration.
15. The tender shall be valid for 90 days from the date of opening of Price Bid.
16. The supply of boats should be effected as per specifications furnished in **Annexure II & III** and as per the delivery schedule at the respective Boat Houses.
17. Delay in supply will lead to penalty @ 1% value of belatedly supplied boats for every week of delay or part thereof. (i.e. exceeding three days will be calculated as one week).
18. If delay in supply exceeds 15 days from the delivery schedule, the acceptance order will be liable for cancellation in total or partial, liquidated damages will be levied to the extent of 10% of the value of boats cancelled and the business dealings with the tenderer in future will be banned.

19. If it is found that the boats so supplied are not as per supply order specifications, the supply made will be rejected and the business dealings with the supplier will be banned with forfeiture of Earnest Money Deposit and Bid Security.
20. Defects if any found in the boats supplied during the warranty period, it should be rectified immediately by the Supplier at their own cost, within 7 days from the date of receipt of intimation. In the event of delay in rectification of the defects beyond the permissible 7 days, the revenue loss sustained by TTDC due to non-operation of the defective boats, shall be recovered from the Supplier till the date of actual supply of the rectified boats. In the event of supplier not taking delivery of the boats within 10 days from the date of intimation of the defects, it will be rectified by TTDC and the rectification cost will be recovered from the Supplier in addition to the recovery of revenue loss sustained by TTDC due to non-operation of these boats.
21. The boats should give a minimum guarantee period of one year from the date of delivery at the respective Boat Houses.
22. The latest Sales tax clearance certificate and audited balance sheet for the last three years should be produced along with the Technical Bid.
23. The tenderer shall be solely responsible for the payment of Sales Tax and other taxes, if any levied by the Government and other local bodies.
24. The Technical Bid and Price bids for each type of Boats should be submitted in separate sealed covers along with a covering letter.
25. **Fixed Price:** Prices quoted by the Bidder shall be fixed during the Bidder's performance of the contract and not subject to variation on any account. A bid submitted with an adjustable price quotation will be treated as non-responsive and rejected.
26. The Bidder shall furnish, as part of its bid, documents establishing the conformity to the bidding documents of all goods and services which the bidder proposed to supply under the contract.

27. In exceptional circumstances, the TTDC may solicit the bidders consent to an extension of the period of validity. The request and the responses thereto shall be made in writing (or by e-mail or fax). The bid security provided shall be suitably extended to the Guarantee period. A bidder may refuse the request without forfeiting its bid security. A bidder granting the request is not required or permitted to modify its bid.
28. Bids must be received by the TTDC at the address specified not later than the time and date specified in the Invitation of Bids. In the event of the specified date for the submission of bids being declared a holiday for the TTDC, the bids will be received upto the appointed time on the next working day.
29. The TTDC may, at its discretion, extend the deadline for submission of bids by amending the bid documents. In which case all rights and obligations of the TTDC and bidders previously subject to the deadline will thereafter be subject to the deadline as extended.
30. During evaluation of bids, the TTDC may, at its discretion, ask the bidder for clarification of its bid. The request for clarification and the response shall be in writing.
31. The TTDC will scrutinise the bids to determine whether they are complete, whether any computational errors have been made, whether required sureties have been furnished, whether the documents have been properly signed, and whether the bids are generally in order. Bids from Representatives, without proper authorisation from the manufacturer shall be treated as non-responsive.
32. No bidder shall contact the TTDC on any matter relating to its bid, from the time of bid opening till the contract is awarded.
33. Any effort by a bidder to influence the TTDC in the TTDC's bid evaluation, bid comparison or contract award decisions may result in rejection of the bidders bid.
34. The TTDC reserves the right at the time of award of contract to increase or decrease the quantity of goods and services originally specified in the schedule of requirements without any change in unit price or other terms and conditions.
35. The notification of award will constitute the formation of the contract.

36. In the event the TTDC terminating the Contract in whole or in part, for non supply of goods as per delivery schedule the TTDC may procure, upon such terms and in such manner as it deems appropriate. Goods or Services similar to those undelivered, and the Supplier shall be liable to the TTDC for any excess costs for such similar Goods. However, the Supplier shall continue the performance of the Contract to the extent not terminated.
37. The Tenders submitted beyond the date and time fixed shall be summarily rejected.
38. Any postal delay or loss in transit will not bind TTDC Ltd.
39. The Managing Director, Tamilnadu Tourism Development Corporation Ltd., reserves the right either to accept or reject any or all the tenders at any time prior to award of contract.
40. Evaluation of tenders would be in accordance with the provisions of Tamil Nadu Transparency in Tenders act 1998 and the Tamilnadu Transparency in Tenders Rules, 2000 and amendments thereon.
41. Disputes if any arises, the Arbitrator will be appointed by mutual consent of both the parties and the arbitration proceedings will be as per Arbitration Act. The Jurisdiction will be at Chennai.

42. Terms of Payment:

No advance payment will be made. 100% payment will be made against the Bid Security and after effecting delivery of the boats as per the tendered specifications at the Boat Houses, Pykara and Pitchavaram after receiving the satisfactory performance certificate from the Technical Consultant of TTDC and from the concerned Manager of the Boat House. In the event of non furnishing of Bid Security, 90% payment will be paid and balance 10% will be paid after the Gurantee period or against Bank Guarantee equivalent to 10% value of the Boats through a Nationalised Bank / Scheduled bank for two months over and above the Guarantee period.

ANNEXURE II

TECHNICAL SPECIFICATION FOR 4 SEATER LIGHT FRP BOAT OPERATED WITH 60 HP OUTBOARD MOTOR WITH BIMINI TOP CANOPY

Brief description of the boat:

The boat is an open type, 4 passenger capacity, lightweight, planing hull, powered with 4 stroke petrol 60 HP Yamaha outboard motor. Planing should be achieved with fair but not excessive trim. The boat should be easily manoeuvrable and capable of taking sharp turns without losing stability. The boat dimensions are length 4.5m, beam 1.6m, draught 0.24m and freeboard not less than 0.5m. The boat should have forward cockpit remote steering, throttle and gear control, with electric start.

The following drawings/details must be supplied along with the offer from the bidder. Without these drawings/details, the offer will be rejected.

1. General Arrangement drawing with seating plan, location of steering, upper and bow deck plan, fender, battery, fuel tank, OBM well, mooring leads, bollards etc.
2. Structural plan indicating the spacing of longitudinal and transverse stiffeners and hat section details of the stiffeners. Indicate the bottom, side shell and deck layer thicknesses as well as material of construction. Indicate inner panelling with thickness and details. Also indicate the positioning of buoyancy chambers for guaranteeing unsinkability of the vessel. No bottom foam filling is allowed. Indicate the quantity and location of foam filling to guarantee that the vessel will stay afloat upright in the event of accidental damage.
3. Provide details of the collapsible but strong Bimini top canopy. Particular care must be taken for strength against winds.
4. Provide deluxe contoured bucket seats.
5. Although specifications are given by the bidder, any changes suggested by the technical consultant from TTDC should be accepted and agreed without any additional costs.
6. The fender measuring 100 width x 60 depth, should be internally timber reinforced and externally made integral with the hull in fibre glass.
7. Stainless steel bollards and mooring leads fittings should be provided both fore and aft.
8. The boat should be pigmented with attractive colours to be decided in consultation with the owner.
9. The name and emblem of Tamilnadu Tourism should be fixed on the two sides with lettering height 100mm with high quality adhesive bonded plastic film computerized process. It should have a guaranteed life of three years. (Replacing without any cost).

**TECHNICAL SPECIFICATION FOR 8 SEATER FRP MOTOR BOAT
OPERATED BY 15 HP OUTBOARD MOTOR WITH CANOPY**

General arrangement drawings with all the specifications indicated below must be submitted. Failure to include correct technical drawing and specifications will lead to rejection of the bid.

1. The following are the dimensions:

Length	: 5.5 m
Breadth	: 1.75 m
Depth	: 0.80 m

The boat is open, out-board – motor fitted type of fibre glass boat, provided with light canopy in steel frame. The canopy must be designed for functionality, lightweight, long-life, ergonomics and aesthetics and these should be reflected in the submitted drawing with sketches and details.

2. It should have fibre glass type seating for 8 passengers all facing the forward of the boat.
3. The hull is to be reinforced with at least five layer of fibre glass consisting of a combination of chopped strand mat and woven roving impregnated with isophthalic resin.
4. The boat will have inner panelling so that no rough fibre glass finish is visible from anywhere.
5. The boat will have an aesthetic, strong forward bow deck of approximately 1m length.
6. The bottom deck will be provided with wooden grating and any bilge water accumulating in the bottom should be capable of being bailed out by removing the wooden grating at the middle portion and being put back after water removal operation. In other portions, the wooden grating can be permanent. Since the boat is of open construction, the timber should be of good quality padak. The timber should be painted.
7. Polyurethane foam filling to the extend of 36kg is to be provided by filling in distributed areas of hull. There shall be no foam filling at the bottom of the boat. The foam filling will be provided in the forward bow region, after transom region, the vertical spaces between inner panelling and outer hull on both starboard and port sides of the boat, and to some extend under the bucket seats, after providing comfortable leg tuck in spaces under seats.

8. The seats must be stiffened suitably and with aesthetic finish of both front and back. The seats must be guaranteed for the two years of trouble free operation without breakages and cracks.
9. The hull structure should be stiffened with a system of longitudinals and transverses consisting of hat section stiffeners of approximately 100 width and 75 height with 5 layers.
10. The hull should be guaranteed to be free from appearance of any cracks, local damages under normal use. Any unforeseen appearance of such damages in normal working shall be deemed to be due to bad raw material inputs and will invoke penalty.
11. The boat should be designed to give maximum speed when operated with a 15 HP outboard engine.
12. The fender should be internally timber reinforced and externally made integral with the hull in fibre glass with dimensions 100 width X 60 depth.
13. The boat should be fitted with one stainless steel bollard at the bow and one each on the starboard and port sides in the aft.
14. The boat hull should be finished with thick polished layer of gel coat.
15. The name and emblem of Tamilnadu Tourism should be fixed on the two sides with lettering height 100 with high quality adhesive bonded plastic film computerised process . It should have a guaranteed life of two years.
